Play Fast Ball and Defeat the Pittsburgs -Chicagos Win Two Games From Brooklyns and Reoccupy Second Place -Results in Philadelphia and Boston.

The New York Nationals beat the Pittsburgs yesterday, making the series a tieten and ten-between the two teams. The Chicagos thrashed Brooklyn twice and re-occupied second place. The Cincinnatis won two games in Boston, and St. Louis broke even in Philadelphia. The results:

The New York Nationals put aside the take-it-easy habit yesterday and played game up to the handle. Somebody gave them a talking to for their late slothfulness, and they played fast, scientific ball yester-day. As a result the champions of 1904 were beaten not greatly, but none the less thoroughly, by the champions of 1905. Speedy base running, excellent fielding, timely batting, all were done by the New Yorks. In addition, Mathewson's potent pitching acted as an anæsthetic on the Pittsburg batting faculties. Only Beaumont and Leach were not lulled into harmlessness by Mathewson's soporific slants. In the seventh inning Mathewson was supreme and struck out Wagner, McCormick and Bransfield in suc-

Between halves in the second inning the New York players presented a very handsome loving cup to John T. Brush, the latter making a speech of thanks. The cup bore the inscription:

"Presented to John T. Brush as a token of esteen by the members of the New York Ball Club, National League, Sept. 24, 1904."

Twenty-one names of donors were on the cup, a 1 the players and F. M. Knowles and H. M. Stevens. After the game the cup was duly and properly christened, Brush paying tribute to his players, McGraw in particular.

Mathewson started New York on the road to runs with a hit in the third. Donlin drew a base on balls, Browne cracked a corker to right, the ball eluded McCormick, and Mathewson and Donlin romped home. Dahlen's double, Devlin's sacrifice and Gilbert's single to left gave the New Yorks a run in the fourth. A running catch by Browne, a remarkable one hand catch by Mathewson of a low and steaming liner, a one hand catch by Devlin and Warner's foxiness in luring Beaumont off third on a bluff throw to second were all spicy bits in the New York fielding ensemble. Beaumont made an extraordinary home run in the sixth inning. He tapped a hit over short, and Devlin, coming in for the ball, loverran it. Beaumont hit the trail so fast while Devlin was scuttling back for the horsehide that all that could be seen of the Pittsburger was a blue-gray blur streaking across the scenery. He left the bases behind him a mile a minute and slid into home ahead of Dahlen's relay from Donlin. The ball went a comparatively short distance, and it was lightning footing by Beaumont, the jack-rabbit. The score:

CHICAGO (N. L.), 4; BROOKLYN, 0-FIRST GAME. | Cotter The spurting Brooklyns were humbled twice by the Unicagos yesterday, the first of the humblings being a shut-out. Wicker was the actor-in-chief in this application of calcimine. Lumley did something that made him stand out among his fellows like a beacon in the dark—he made the only hit off Wisher. The game was errorless and the Cubs bunched him. In the second game the Chicagos outbatted the Brooklyns again, and profited by the latter's errors. There was good batting by both sides in the first inning, but the home team could not keep up the clip as did the Chicagos. The scores:

Atlantic Yacht Club Winds Up Its Racing

Season-The Winners. The Atlantic Yacht Club wound up its racing season yesterday with a fall regatta which was sailed in a piping breeze from the southwest. Sixteen vachts started and made fast time over the Lower Bay courses. The regatta committee, Henry J. Gielow, Fred Vilmar and J. M. Fiske, were on the tug Unique. The 30 and 36 footers sailed down the bay

to the Spit buoy. They had a beat out and a run with spinnakers home, and it was a hard fight all the way in both classes. The smaller boats went to Old Orchard Shoal. When the preparatory signal was made at 11:15 o'clock, the yachts had tied in single reefs. for the wind was piping merrily, and the bay was covered with whitecaps. The starting line was in Gravesend Bay, and the Redwing, Vivian II., Bobtail and Bagheera got away on the first gun. In the second division were the Naiad, Bonito, Smoke. Ogeemah, Trouble, Spots, Karma, Careless, Miss Judy, Beta and Gamma. The Bonito, Smoke Miss while the others, by going for the Staten Island shore, cheated the tide and got smooth

water.

In the 36 foot class the Red Wing beat the Vivian II. after a hot conteat by i minute 39 seconds. The Bobtail won in the 36 foot class, beating the Bagheera 2 minutes 1 second. In the 25 foot class the Lizana won from the Bonito, Naiad and Smoke. The Ogremah won in the 21 foot class from the Spots, Trouble, Karma, Careless and Miss Judy. The Beta beat the Gamma in the Marine and Field Club's class. The summary:

FRENCH AUTO WINS THE CUP.

W. G. BROKAW'S CAR VICTOR IN INTERNATIONAL TRACK RACE.

Breaks World's Record in Middleweight Class-Defeats American, German and Italian Makes-Vanderbilt Cup Entrants Compete at Empire Track. America, Germany, France and Italy met in an international automobile cup race at

the Empire track at Yonkers yesterday. France was the winner, with Germany a good second. Italy was outclassed in engine capacity, and the little low-powered skeleton racer that essayed to represent the sport and ndustry of the United States retired through unheralded troubles early in the contest.

The cleverly conceived interjection of an international flavor into the contests resulted in the gathering of the largest crowd that ever witnessed an automobile meet at the Empire track. The big grandstand was filled, the clubhouse balconies were jammed, the wire that shut off the spectators from danger of calamity from runaway cars was lined four deep, and several hundred auto-mobiles were bunched beneath the stand and parked on the lawns. There was talk of

The American and German heats went to Frank Kulick and the 20 horse-power Ford, which holds the lightweight track records, and to Hawley and the Thomas Mercedes by default.

In the final Tracy was quickest away and reached the turn first, followed by the Ford and Fiat care in order. The French car forty yards with the little American skeleton 100 yards further back and the light powered Italian touring car already out of the runeighth of a mile behind Hawley, threw up the sponge and quit. The five mile race for American touring cars was the closest contest of the day. It resulted in a hammer and tongs struggle from start to finish between Charles Soule in a Pope-Toledo, and A. E. The back markers were practically anchored in the handicap, Trucy, driving the Renault, with eight seconds start, alone qualified for the final, in which he failed to get within hailing distance.

Rodney Peeler and the Autocar were the easiest of easy winners in the five mile run for cars costing \$1.000 or less.

BICYCLE STARS GET HOME. Return of Lawson and Hurley With International Honors.

Three of the Americans who took part in the international bicycle championship meet at the Crystal Palace, London, during the week of Sept. 10, returned yesterday on the St. Paul. They were Iver Lawson, the winner in the professionel championship:
M. L. Hurley, who won the amateur championship, and O. Goerke.

There were from 14,000 to 18,000 spectators at the meet on each day of the races, and the field included riders from the Continent

and the best in the United Kingdom. The winners of the preliminary heats in the professional race were: H. Mayer, Germany: T. Ellegaard (holder), Denmark; H. Mayer, Holland; W. Rutt, Germany; W. Arend, Germany; S. Jenkins, Wales: O. Meyer, Germany, and Lawson. The three to compete in the final for the amateur championship both of England, and Hurley.

According to the precedent of this meeting, a match between the winners of the two short distance championships had been made permissible, and on this occasion it resulted in a two-lap race between Lawson and Hurley, which the former won somewhat easily in 1 minute 53 seconds.

Willie Mack Loses Another Fight. Willie Mack of Brooklyn lost another fight out West to a newcomer named Maurice Sayers of Milwaukee before the Milwaukee on Friday night. The mill was for six rounds. Mack was so outclassed that the referee had no trouble in deciding against him. Mack was not in the best of shape, but it is a question whether he would have won had IN THE FOOTBALL WORLD.

Horningside Men Show Up Poorly and Beat Union Only 10 to O-Quakers Make a Single Touchdown Against State College-Lafayette Plays a Strong Game.

Two of the big colleges that opened their football season yesterday made lower scores than were looked for and showed form that was not impressive. These two were Columbia and Pennsylvania, each of which was able to score only one touchdown against Union and State colleges, the respective opponents. Lafayette and Lehigh came to the front in good style, winning by one-sided scores. The scores of the winners yesterday ran large as a rule, indicating plenty of vigor in the attack. A notable feature of the day's battles was the scarcity of scoring in the part of the beaten teams. The principal results were:

Columbia, 10; Union, O. Pennsylvania, 6; State College, 0. Lafayette, 35; Wyoming Seminary, O. Lehigh, 81; Albright, O. Syracuse, 27: Cortland Normal School, O. Williams, O; Alumni, O.

Georgetown, 22; Maryland Agricultural, O. Rochester, 26; Niagara University, O. Bucknell, 22; Lebanon Valley, O. Dickinson, 10; Western Maryland, O.

COLUMBIA. 10: UNION. O. Columbia found a more worthy opponent when the best her eleven could do was to defeat the team from Union College by the slim score of 10 to 0. This record even represented Columbia's crossing Union's goal line but once. The other points came from a neat goal from the field by Metzentbin in the first half. This goal from the field was really the only meritorious achievement of the local eleven. In almost every resp team was decidedly ragged in its play, and showed the need of much hard and severe practice before it meets any of its important opponents.

It was with the line men, however, that

PENNSYLVANIA, 6; STATE COLLEGE, 0.

PHILADEIPHIA, Sept. 24.—Pennsylvania opened the footbell season yesterday on Franklin Field by defeating State College by the small score of 6 to 0. Pennsylvania was unable to score in the first half, although on the road to doing so when time expired. She did not score until the last few minutes of play and then by a series of line plunges after Reynolds had carried the ball thirty yards to State's 25 yard line after a punt. In the first half State became aggressive and after Yoekley had skirted Pennsylvania's left for a gain of twenty yards, putting the ball on Pennsylvania's 41-yard line. Forkum tried for a field goal. The ball fell into Corson's arms on the 5-yard line. State College frequently surprised Pennsylvania and got away for substantial gains. In the second half Forkum cut off sixteen yards on a fake kick. A num-PENNSYLVANIA, 6; STATE COLLEGE, 0

EASTON, Pa., Sept. 24.—Lafayette opened the footbell season this afternoon by playing a team on which were several untried men against Wyoming Seminary and defeating her 35 to 0. The visitors were unable to advance against Lafayette's strong line, and only six times did they gain anything on a first down. On the other hand Lafayette's entire team did splendid work, going through and around Wyoming at will. McAvoy, at full back, was watched with interest, as he is a new man, and with Van Atta, Scammell, Wren, Newbury, Craig and Shuster did fine work. The line up:

Charley Hitte of Albany Preves an Easy Mark for Jack Blackburn. Charley Hitte, the Albany fighter, received

a decided setback when he met Jack Black-burn, the dusky lightweight of Philadelphia Hitte and Blackburn engaged in a six round mill at Philadelphia, before the Manhattan A. C., on Friday night, but the white man third round had arrived that the police interfered and stopped the scrap. At that Hitte was badly bunged up, and would surely have been knocked out in another round. been knocked out in another round. It was some time, and, considering the excellent form he has been showing lately, his defeat was a big surprise.

Hitte started off in hurricane fashion in the opening round, and his peculiar crouch seemed to worry Blackburn. He kept the negro on the defensive during the entire round. There was a marked change in Hitte's pace in the second round. The fast clip he had gone told on him, and he was tired when he stepped out of his corner. He started out with a left on the face, but after this Blackburn

ICURE

I HAVE CURED HUNDREDS.

CANCERS TUMORS By Absorption. No Cutting. No Pain.

When I say I can cure Cancers and Tumors I speak directly to the most incredulous-those who are suffering and getting no help and no hor ful encouragement from family physicians. TWENTY YEARS OF SUCCESS I have demo strated that Cancers and Tumors are not loca sores, but are the accumulations of poison that circulate in the blood throughout the entire system I treat the cause, and by curing it eliminate the effect. When the blood is purified the symptoms will disappear. Surgery only treats the sore or local symptons and the poison will again accumu

late at or near the same place as before. I will supply testimonials from hundreds of my patients, some of whom were cured man) ears ago-cured to stay cured. You can write to them and visit them for convincing proof that your case or that of your friend is also curable. But think quickly and act immediately. for the disease is insidious, and every day's delay gives the poison a stronger hold upon the system and makes the cure harder to effect.
